

🌀 A Blue Ribbon School of Excellence 🌀

In September 2009, Epiphany of Our Lord School received the National Blue Ribbon School Award from the United States Department of Education. We were one of only three private schools in the state and just 50 nationwide to receive the award in 2009. The Blue Ribbon program selects award winners from exceptional schools that score in the top 10 percent on state assessments. Epiphany has met that qualification in many years and is committed to maintaining a superior level of academics consistent with our recent achievements. Schools are not permitted to reapply for this award for a period of five years.

A local newspaper article recently stated that “One of the best schools in the nation can be found right in Plymouth Meeting.” We are proud that our Epiphany students, teachers and staff have been recognized in this way.
