

Extracurricular Activities

Band and Strings

Students at Epiphany have the opportunity to participate in an instrumental music program beginning in the third grade. Band and stringed instruments are offered with instruction, concerts and an end-of-the-year trip. Advanced players may join the jazz band that performs at jazz festivals and concerts. Students may audition for Archdiocesan band and string groups. Many of our students have been selected to perform in the Archdiocesan choir and orchestra.

Scouting

Epiphany has Brownie Troops, Girl Scout Troops, a Boy Scout Troop and a Cub Scout Pack (Grades 1 – 5). Scouts participate in various activities including service projects, crafts, and regional activities, including camping trips. One Brownie Troop beautified our school grounds by planting their own garden!

Choir

Children in the third through eighth grades are invited to join the Children's Choir and/or School Chorus. The choir sings regularly at weekend masses throughout the year, including the Children's Christmas Mass. The Chorus performs at our annual Spring Concert.

Science Enrichment Programs

All students in Grades 5-8 participate in our annual Science Expo. Children in Grades Pre-K through 4 can voluntarily participate in the Expo as well. In addition, we hold an annual Summer Science Camp for students entering K- 8. The children do experiments, play games, and do arts and crafts based on 5 exciting themes.

Book Club

Students in Grades 4–8 meet bi-weekly to discuss literature as recommended by Montgomery County Reading Olympics. Our principal leads the discussions. These students compete in the Reading Olympics in April. This is a great way to encourage our students to read and help them appreciate the joy of reading!

Student Government

Students in Grades 4-8 can participate in student government. The children lead service projects to help those in need. They also organize fun activities for the student body including dress down days and raffles.

Instructional Basketball League (IBL)

Children from first through fourth grades can participate in the IBL at Epiphany. IBL is designed to teach the first and second grade children basketball basics and provide the third and fourth grade children a way to improve their skills in a semi-competitive atmosphere.

Math League

Students in Grades 5-8 participate annually in the Pennsylvania Mathematics League Competition.

CYO Activities

Peewee Track (boys and Girls): Grades 1-3
Volleyball (Girls): Grades 5-8
Basketball (Boys and Girls): Grades 5-8
Soccer (Coed): Grades 6-8
CYO Dances

Track and Field (Boys and Girls): Grades 4-8
Softball (Girls): Grades 5-8
Baseball (Boys): Grades 5-8
Field Hockey (Girls): Grades 5-8
Service Projects

Dinner Theater

In 2009, we were pleased to premier our first annual Dinner Theater. Boys and girls (grades 3-8) were invited to participate. They learned dancing and singing routines from a talented, professional musician and parent volunteers. Children in the upper grades were also invited to be part of the stage crew. They performed to sold out crowds and are eagerly looking forward to their next project.
