

❧ WELCOME! ❧

Thank you for your interest in Epiphany of Our Lord School (EOLS).

We, the Home and School Association, are excited to share “The Best Kept Secret” ... and the many reasons we choose to send our children to Epiphany.

The information in this folder is designed to provide an overview of life at Epiphany. What we cannot capture on paper is the sense of community that our students, parents, faculty and staff enjoy every day.

We invite you to visit again when school is in session to experience our school and environment first-hand. You will witness the confidence, intelligence and spirit of our students. Our caring teachers and administrative staff encourage, nurture and enhance these qualities as they educate every student.

To schedule a tour of the school, or to simply ask questions of our parents or staff, please call (610) 943-6666, or e-mail us at info@eols.org.

Thank you for taking the time to visit Epiphany. We look forward to having you and your children become part of our growing family.
